PUBLIC FORUM

Emergency Water Supply

Mr. Phil LeMay spoke to a report from the EPA regarding the water quality at Imperial Lake. Mr LeMay asked Council to take the report on board and to see if there are any issues requiring further investigation.

The report was tabled.

The Mayor advised Mr LeMay that the report would be circulated to the Councillors.

Parks and Gardens

Mr. Kim Donohue advised that when Council mows the gardens near the public toilets in Chloride Street, the lawn clippings are blown into the Council toilets, making a mess and causing a slip hazard.

The Mayor advised that the issue would be investigated by Council.

Disabled Parking at the Broken Hill Aquatic Centre

Mr Kim Donohue advised that there used to be six disabled car parking spaces outside the Broken Hill Regional Aquatic Centre. Mr Donohue asked why Council has recently moved these car parking spaces further from the entrance to Centre, making it difficult for them to walk down to the access ramp.

QUESTIONS FOR NEXT MEETING ARISING FROM ITEMS ON THIS AGENDA

Land Rates – Draft Hardship Policy – page 68

Councillor Algate raised concerns regarding the hardship experienced by elderly residents of Broken Hill and should a percentage of mine rates be shifted to residential rates in the future, then he has concerns about the capacity of pensioners to be able to afford to pay their rates obligation.

Library Relocation – Question on Notice Report – page 154

Councillor Algate requested evidence that the move of the Library to Argent Street will increase user numbers at the Library.

The Mayor advised that the previous confidential report from February 2016 containing the business case for the Library relocation will be placed on the HUB for Councillors' reference.

Library Relocation Traffic Plan – Questions on Notice Report – page 154

Councillor Algate requested that Councillors receive information regarding the traffic plan for Argent Street and the CBD area.

The Acting General Manager advised that as part of the project, a traffic assessment will be undertaken to ensure the optimum capacity for parking. This will include assessing, existing two hour parking, disabled, short term, taxi rank and bus bays. Rear access to the site has already been considered for access for disabled, bus, and group drop off and pick up. Council is also looking at smart technology for parking control.

Library Relocation Traffic Plan – Questions on Notice Report – page 154

Councillor Kennedy requested an indication of the number of parking spaces that will be lost with the implementation of the Living Museum + Perfect Light project (of which the Library relocation is a part).
