General Manager's Comment

Council currently has a memorandum of understanding (MOU) with the St Pat's committee and provides \$10,000 pa as part of that agreement.

The Silver City Races and Silver City Show have historically received Council support through the Community Assistance Grants and each have been supported with waiver of waste service fees for their respective events. Applications for community assistance are currently open, and close 30 April; if additional funds are required both organisations are welcome to apply for such. Both organisations have been contacted directly to advise current round of community assistance grants are open.w
