The Venue

The Broken Hill Civic Centre (the Centre) is a multipurpose venue with theatre style seating for 548 people. It is Broken Hill's premier venue for performing arts, seminars and conferences, trade shows, weddings, receptions, and awards nights.

The Centre has the capacity to host from 20 to 700 people for conferences and functions with its various function spaces.

The acoustically designed auditorium features a hydraulic orchestra pit, raised stage, disability access lift to the stage via prompt side, and capacity to seat 548 people theatre style.

The Chips Rafferty Room, or Function Room 1, is available for hire on its own as a smaller function room, or as a seminar/meeting space.

For small trade displays, and event registrations, the main foyer is an ideal location for hire.

The upper level of the Civic Centre has two function rooms, which can be opened into one large space, and a lounge area, and are also available for breakout sessions and workshops of up to 150 people. The upper-level facilities include access via the lift, men and women's toilets with disability access, and a plate up kitchen.

The Civic Centre is equipped with a full commercial kitchen, bar facilities, lift access from ground level outside, and Box Office.

The venue is located in the heart of the city within easy walking distance of cafés and restaurants, and with three supermarkets within a 10-minute drive.
