# **GST Disclaimer**

A goods and services tax (GST) applies to a number of goods and/or services supplied by Council. Those goods and/or services that are subject to GST have been identified in the attached Schedule of Fees and Charges.

Some goods and/or services supplied by Council have been declared GST free or are excluded under Division 81 of the *Goods and Services Tax Act* 1999. Those goods and/or services which are GST free or excluded from GST are identified in the Schedule of Fees and Charges.

Accordingly if a fee that is shown as being subject to GST is subsequently proven not to be subject to GST, then that fee will be amended by reducing the GST to nil. Conversely if Council is advised that a fee which is shown as being not subject to GST becomes subject to GST then the fee will be increased but only to the extent of the GST.

# **Pricing Policy**

The following pricing principles have been used by Council as a guide in setting charges. These pricing principles adhere to Council's Access and Equity Policy and are reflected in the accompanying Schedule of Fees and Charges for 2019/2020.

### Pricing Principles and Basis Used by Council

Pricing Principle	Pricing Basis
Community Service – Service provides a broad community benefit and therefore full cost recovery should not apply. Partial cost recovery could apply in some circumstances	Zero to partial cost recovery
<ol> <li>Cost Recovery – Service benefits particular users making a contribution to their individual income, welfare or profits generally without any broader benefits to the community</li> </ol>	Full cost recovery
<ol> <li>Market Price – Services that Council operates in a commercial market</li> </ol>	Market Price
<ol> <li>Statutory – Charges set by Federal and State Government</li> </ol>	Statutory
<ol><li>Third Party – Services provided by another service provider apart from Council</li></ol>	Third Party

Application of Pricing Principles to Goods and Services								
Service	Principle	Basis of Cost
