## QUESTIONS FOR NEXT MEETING ARISING FROM ITEMS ON THIS AGENDA

### From Item 13 – Audit, Risk and Improvement Committee

*The General Manager took a question on notice from Item 13 regarding (the new OLG Guidelines for Audit Risk and Improvement Committees that take effect after 1 July 2024) and whether Councillors (other than the one Councillor non-voting member) were able to attend Audit, Risk and Improvement Committee meetings as observers?*

### Miners' Memorial at the Line of Lode

*Councillor Turley referred to an article in the Barrier Truth whereby Mr Stan Goodman raised concerns regarding the state of the plaques within the Miners' Memorial at the Line of Lode and asked Council to seek a meeting with Crown Lands or the Minister for Crown Lands to investigate options for the upkeep of the memorial.*

The Mayor took the question on notice.

### Heritage Walking Tours

*Councillor Turley advised that members of the Heritage Walking Tours had raised concerns regarding the delay in having a shade shelter built (which they had raised money towards).*

The Mayor and Council's Director Infrastructure and Environment advised that the Heritage Walking Tour Group had raised money towards a shade shelter (of which Council would also need to put funds towards) to be built adjacent to the Kintore Reserve in Blende Street and that Council had called for request for quotations which came back considerably higher than anticipated. Council's Project Officer is now liaising with the companies who provided quotes to discuss alternative designs to hopefully bring the quotes down to within Council's budget. Council's Project Officer spoke to Mr Howse yesterday to provide him with an update on the project and hopefully within the next month Council will be closer to commencing the project.

### Civic Function for The Hon Mark Coulton MP

*Councillor Turley referred to the announcement by The Hon Mark Coulton MP that he will not be contesting the seat of Parkes at the next Federal Election and would be retiring. Councillor Turley asked if Council would be holding a civic function to thank him for his years of service advocating for the City.*

---

MINUTES OF THE ORDINARY MEETING OF THE BROKEN HILL CITY COUNCIL HELD

---

The Mayor advised that a Civic Reception would be held prior to the Federal Election.

Gateway Signs

*Deputy Mayor Hickey advised that the Gateway sign on the Mildura Road will be replaced in the third week of April with a sign made from one of Ms Deanna Spicer's designs.*

Outstanding Items on the Action List

*Councillor Jewitt referred to recreational facilities in the City and referred to Item 1 on the Action List being the oldest action (Willyama Common Trust Licence to the Broken Hill Speedway Club) which is now nearly four years overdue and asked for an update on why there is a delay with some actions pertaining to leases and licences being finalised. Councillor Jewitt asked if there is any way that these land matters can be reviewed? Can Council request a face-to-face meeting to progress these matters?*

The Mayor explained that the delay is due to Native Title and that there is now an additional step in the process which requires approval from the Local Aboriginal Land Council (as well as the Department of Crown Lands), and that this is causing delays.

The General Manager advised that staff are regularly in touch with the Department of Crown Lands, seeking an update on when particular leases/licences will be approved.
